INDEPENDENT AUDITOR'S REPORT

The Board of Directors and Stockholder Continental Investors Services, Inc.

We have audited the accompanying statement of financial condition of Continental Investors Services, Inc., as of June 30, 2011, and the related statements of income, changes in stockholders' equity, changes in liabilities subordinated to claims of general creditors, and cash flows for the year then ended that you are filing pursuant to rule 17a-5 under the Securities Exchange Act of 1934. These financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Continental Investors Services, Inc., as of June 30, 2011 and the results of its operations and its cash flows for the year then ended in conformity with accounting principles generally accepted in the United States of America.

Our audit was made for the purpose of forming an opinion on the basic financial statements taken as a whole. The information contained in the Schedules I and II is presented for purposes of additional analysis and is not a required part of the basic financial statements, but is supplementary information required by rule 17a-5 under the Securities Exchange Act of 1934. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and, in our opinion, is fairly stated in all material respects in relation to the basic financial statements taken as a whole.

Notes to Financial Statements June 30, 2011

Note 1 - Summary of Significant Accounting Policies

Continental Investors Services, Inc. (the "Company") is a broker-dealer in securities registered with the Securities and Exchange Commission ("SEC") and is a member of the Financial Industry Regulatory Authority ("FINRA"). The Company is a Washington state corporation. The Company renders broker-dealer services in principally debt related securities both as agent and principal to its customers. The Company operates under (SEC) Rule 15c3-3(k)(2)(ii), which provides that all funds and securities belonging to the Company's customers would be handled by a clearing broker-dealer. The Company's customers are located throughout the United States.

Security transactions (and related commission revenue and expense) are recorded on a trade date basis.

Securities owned and securities sold not yet purchased are recorded at quoted market value. Securities and investments which are not readily marketable are carried at fair value as determined by management of the Company. Unrealized gains and losses are credited or charged to operations. The Company's securities are being held by the clearing broker-dealer. Should the clearing broker-dealer fail to deliver securities to the Company, the Company may be required to purchase identical securities on the open market.

Securities sold not yet purchased represent an obligation of the Company to deliver specified equity securities at a predetermined price. The Company is obligated to acquire the securities at prevalent market prices in the future to satisfy this obligation.

Advertising costs are expensed as incurred. Total advertising expense for the year ended June 30, 2011 was \$1,987 and is reflected in promotional costs.

Compensated absences have not been accrued because the amount cannot be reasonably estimated.

Income taxes are provided for the tax effects of transactions reported in the financial statements and consist of taxes currently due. The provision for federal income taxes differs from the expected amount using statutory rates because certain expenses included in the determination of net income are nondeductible for tax reporting purposes.

Income tax returns are generally subject to examination by the respective federal and state authorities over various statues of limitations generally three to five years from date of filing.

Notes to Financial Statements June 30, 2011

Note 1 - Summary of Significant Accounting Policies, continued

Furniture and equipment are recorded at cost. Depreciation is recorded using an accelerated method over the useful lives of the assets.

Treasury stock is accounted for using the cost method.

The Company has a share-based director, officer and employee compensation plan. The Company accounts for employee and qualifying director shares-based payments using the fair value method. The fair value of the Company's stock options is based on the value of the Company's common stock, as determined by management, on the date of grant using the Black Sholes option pricing model.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. In determining fair value, the Company uses various methods including market, income and cost approaches. Based on approaches, the Company often utilizes certain assumptions that market participants would use in pricing the asset or liability, including assumptions about risk and or the risks inherent in the inputs These inputs can be readily observable, market to the valuation technique. corroborated, or generally unobservable inputs. The Company utilizes valuation techniques that maximize the use of observable inputs and minimize the use of unobservable inputs. Based on the observability of the inputs used in the valuation techniques the Company is required to provide the following information according to the fair value hierarchy. The fair value hierarchy ranks the quality and reliability of the information used to determine fair values. Financial assets and liabilities carried at fair value will be classified and disclosed in one of the following three categories:

Level 1 - Valuations for assets and liabilities traded in active exchange markets, such as the New York Stock Exchange. Level 1 also includes U.S. Treasury and federal agency securities and federal agency mortgage-backed securities, which are traded by dealers or brokers in active markets. Valuations are obtained from readily available pricing sources for market transactions involving identical assets or liabilities.

Level 2 - Valuations for assets and liabilities traded in less active dealer or broker markets. Valuations are obtained from third party pricing services for identical or similar assets or liabilities.

CONTINENTAL INVESTORS SERVICES, INC. Notes to Financial Statements June 30, 2011

Note 1 - <u>Summary of Significant Accounting Policies</u>, continued

Level 3 - Valuations for assets and liabilities that are derived from other valuation methodologies, including option pricing models, discounted cash flow models and similar techniques, and not based on market exchange, dealer, or broker traded transactions. Level 3 valuations incorporate certain assumptions and projections in determining the fair value assigned to such assets or liabilities.

For the year ended June 30, 2011, the application of valuation techniques applied to similar assets and liabilities has been consistent. The fair value of investments are deemed to be Level 1 and 2, see Note 4.

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Note 2 - <u>Net Capital Requirements</u>

Pursuant to the net capital provisions of Rule 15c3-1 of the Securities Exchange Act of 1934, the Company is required to maintain a minimum net capital, as defined under such provisions. Net capital and the related net capital ratio may fluctuate on a daily basis. At June 30, 2011, the Company had net capital of approximately \$1,769,766 and net capital requirements of \$250,000. The Company's ratio of aggregate indebtedness to net capital was .08 to 1. The Securities and Exchange Commission permits a ratio of no greater than 15 to 1.

Note 3 - <u>Possession or Control Requirements</u>

The Company does not have any possession or control of customer funds or securities. There were no material inadequacies in the procedures followed in adhering to the exemptive provisions of (SEC) Rule 15c3-3(k)(2)(ii) by promptly transmitting all customer funds and securities to the clearing broker who carries the customer accounts.

Notes to Financial Statements June 30, 2011

Note 4 - Securities Owned

Securities owned represent trading and investment securities at fair value and at June 30, 2011 consist of the following (presented based upon classification in fair value hierarchy):

		Securities Owned				
		Level 1		Level 2		Total
Equities	\$	70,785	\$		\$	70,785
Mutual Funds		543				543
Corporate Bonds				769,476		769,476
Municipal Bonds				4,516,996	_	4,516,996
	\$	71,328	\$	5,286,472	\$	5,357,800

Note 5 - Related Party Transactions

The Company's office building is leased from an officer of the Company. Rent paid under this lease for the year ended June 30, 2011 was \$29,400 and is included in occupancy and equipment costs.

Note 6 - Concentration Risk

At June 30, 2011 and other various times during the year, the Company had cash balances in excess of federally insured limits of \$250,000.

The Company has a substantial investment in non-investment grade, non-convertible debt securities (some of which are in default).

Note 7 - Payable to Clearing Broker

The payable to clearing broker represents the amount due for unsettled trading securities owned. Interest is charged on this payable at the prevailing margin rate, which was 4.59% at June 30, 2011.

Note 8 - Commitment and Contingencies

Included in the Company's clearing agreement with its clearing broker-dealer, is an indemnification clause. This clause relates to instances where the Company's customers fail to settle security transactions. In the event this occurs, the Company will indemnify the clearing broker-dealer to the extent of the net loss on the unsettled trade. At June 30, 2011, management of the Company had not been notified by the clearing broker-dealer, nor were they otherwise aware, of any potential losses relating to this indemnification.

CONTINENTAL INVESTORS SERVICES, INC. Notes to Financial Statements June 30, 2011

Note 9 - <u>Pension Plans</u>

The Company has a SAR-SEP pension plan covering substantially all employees. The Company may contribute amounts as determined by the Board of Directors. The Company made contributions totaling \$16,076 during the year ended June 30, 2011.

Note 10 - <u>Subsequent Events</u>

In preparing the accompanying financial statements, the Company has evaluated events that have occurred after June 30, 2011, through August 15, 2011, the date the financial statements were available to be issued. During this period, the Company did not have any material subsequent events.

The Company has claimed an exemption from Rule 15c3-3 under section (k)(2)(ii), in which all customer transactions are cleared through another broker-dealer on a fully disclosed basis.

Company's clearing firm: Southwest Securities, Inc.

Independent Auditor's Report

On Internal Control

Required By SEC Rule 17a-5

For the Year Ended

June 30, 2011

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL REQUIRED BY SEC RULE 17a-5

The Board of Directors and Stockholders Continental Investors Services, Inc.

In planning and performing our audit of the financial statements of Continental Investors Services, Inc. (the "Company"), as of and for the year ended June 30, 2011, in accordance with auditing standards generally accepted in the United States of America, we considered the Company's internal control over financial reporting (internal control) as a basis for designing our auditing procedures for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, we do not express an opinion on the effectiveness of the Company's internal control.

Also, as required by Rule 17a-5(g)(1) of the Securities and Exchange Commission (SEC), we have made a study of the practices and procedures followed by the Company, including consideration of control activities for safeguarding securities. This study included tests of compliance with such practices and procedures that we considered relevant to the objectives stated in Rule 17a-5(g) in making the periodic computations of aggregate indebtedness and net capital under Rule 17a-3(a)(11) and for determining compliance with the exemptive provisions of Rule 15c3-3. Because the Company does not carry securities accounts for customers or perform custodial functions relating to customer securities, we did not review the practices and procedures followed by the Company in any of the following:

- 1. Making quarterly securities examinations, counts, verifications, and comparisons, and the recordation of differences required by Rule 17a-13.
- 2. Complying with the requirements for prompt payment for securities under Section 8 of Federal Reserve Regulation T of the Board of Governors of the Federal Reserve System.

The management of the Company is responsible for establishing and maintaining internal control and the practices and procedures referred to in the preceding paragraph. In fulfilling this responsibility, estimates and judgments by management are required to assess the expected benefits and related costs of controls, and of the practices and procedures referred to in the preceding paragraph, and to assess whether those practices and procedures can be expected to achieve the SEC's above-mentioned objectives. Two of the objectives of internal control and the practices and procedures are to provide management with reasonable but not absolute assurance that assets for which the Company has responsibility are safeguarded against loss from unauthorized use or disposition, and that transactions are executed in accordance with

management's authorization and recorded properly to permit the preparation of financial statements in conformity with generally accepted accounting principles. Rule 17a-5(g) lists additional objectives of the practices and procedures listed in the preceding paragraph.

Because of inherent limitations in internal control and the practices and procedures referred to above, error or fraud may occur and not be detected. Also, projection of any evaluation of them to future periods is subject to the risk that they may become inadequate because of changes in conditions or that the effectiveness of their design and operation may deteriorate.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect misstatements on a timely basis.

A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

A material weakness is a deficiency, or combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the Company's financial statements will not be prevented, or detected and corrected, on a timely basis.

Our consideration of internal control was for the limited purpose described in the first and second paragraphs and was not designed to identify all deficiencies in internal control that might be material weaknesses and therefore, there can be no assurance that all material weaknesses have been identified. We did not identify any deficiencies in internal control and control activities for safeguarding securities that we consider to be material weaknesses, as defined above.

We understand that practices and procedures that accomplish the objectives referred to in the second paragraph of this report are considered by the SEC to be adequate for its purposes in accordance with the Securities Exchange Act of 1934 and related regulations, and that practices and procedures that do not accomplish such objectives in all material respects indicate a material inadequacy for such purposes. Based on this understanding and on our study, we believe that the Company's practices and procedures, as described in the second paragraph of this report, were adequate at June 30, 2011, to meet the SEC's objectives.

This report is intended solely for the information and use of Board of Directors, management, the SEC, the Financial Industry Regulatory Authority, and other regulatory agencies that rely on Rule 17a-5(g) under the Securities Exchange Act of 1934 in their regulation of registered brokers and dealers, and is not intended to be and should not be used by anyone other than these specified parties.

CF & Co., L.L.P.

Dallas, Texas August 15, 2011 Independent Auditor's Report

On The SIPC Annual Assessment

Required By SEC Rule 17a-5

Year Ended June 30, 2011

INDEPENDENT AUDITOR'S REPORT ON THE SIPC ANNUAL ASSESSMENT REQUIRED BY SEC RULE 17a-5

To the Board of Directors and Stockholder Continental Investors Services, Inc.

In accordance with Rule 17a-5(e)(4) under the Securities Exchange Act of 1934, we have performed the procedures enumerated below with respect to the accompanying Schedule of Assessment and Payments (Form SIPC-7) to the Securities Investor Protection Corporation (SIPC) for the year ended June 30, 2011, which were agreed to by Continental Investors Services, Inc. and the Securities and Exchange Commission, Financial Industry Regulatory Authority, Inc. and SIPC, solely to assist you and the other specified parties in evaluating Continental Investors Services, Inc.'s compliance with the applicable instructions of the Form SIPC-7. Management is responsible for Continental Investors Services, Inc.'s compliance with those requirements. This agreed-upon procedures engagement was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants. The sufficiency of these procedures is solely the responsibility of those parties specified in this report. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose.

The procedures we performed and our findings are as follows:

- 1. Compared the listed assessment payments in Form SIPC-7 with respective cash disbursements records entries (cash disbursements journal) noting no differences;
- 2. Compared the amounts reported on the audited Form X-17A-5 for the year ended June 30, 2011 with the amounts reported in Form SIPC-7 for the year ended June 30, 2011 noting no differences;
- 3. Compared any adjustments reported in Form SIPC-7 with supporting schedules and working papers noting no differences; and
- 4. Proved the arithmetical accuracy of the calculations reflected in Form SIPC-7 and in the related schedules and working papers supporting the adjustments noting no differences.

We were not engaged to, and did not conduct an examination, the objective of which would be the expression of an opinion on compliance. Accordingly, we do not express such an opinion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

This report is intended solely for the information and use of the specified parties listed above and is not intended to be and should not be used by anyone other than these specified parties.
